Volume IV Number 43

DESERONTO PUBLIC LIBRARY

Seashell Exhibit

A summer exhibition of sea-shells at the Deseronto Public Library is attracting many visitors and town residents. The fascinating shells lent by local collectors show the many uses to which they have been put. Some are used as household utensils, such as the spoon shaped oyster shell with narrow end that serves as a handle. Other shells are used for adornment in jewelry and in decorative flower clusters. At one time some of the shells were used as money.

The sea-theme exhibition includes interesting model boats made by David Edwards. Others who have lent shells to the collection include: Mrs. William Higgins, Sr., Mrs. M.K. Allin, Mrs. Gregory Gordon.

A related section of books for hot-weather reading has been organized by Mrs. Helen Tunncliffe, Librarian.

The Fall Library Exhibition will feature old bottles. The bottles should be in attractive coloured glass and out-of-the ordinary shapes.

Anyone having bottles that they would be willing to lend the library for a month-long display should contact Mrs. Tunncliffe or Mrs. A. George Wakelin, Library Exhibition chairman.

A spring display telling the history and technique of the maple sugar industry, set up courtesy of the Hastings County Museum, Martin Lewis, Curator, is continuing through the summer months.

75 school year by an overall average of 10.52% exclusive of increments due under the present schedule to a value of 2.56%. The overall average increase for principals is 10.23%, exclusive of increments to a value of 0.66%.

CROPS DAMAGED IN AREA

Cutworm Damage

Recent cool damp weather in the area has caused an outbreak of cutworms on many farms in Lennox and Addington and Hastings County.

Agricultural representative in Lennox and Addington, Garnet Mills reports extensive damage to corn crops, some farmers losing as many as 20 acres.

The cut worm, which is the larva of the Miller moth, cuts the plant off just below the surface of the ground. The situation is general across the province and no sprays are available to eliminate the pest.

However, the cutworm is expected to go into the pupa stage soon, and farmers are advised to replant the damaged areas with silage crops.

New Health Administrator

Clifford Cotton of Tweed has been appointed the first full-time administrator of the Hastings-Prince Edward Counties Health Board. Mr. Cotton, 45, is currently business administrator and treasurer for the Lennox and Addington County Board of Education in Napanee.

Board of Education in Napanee.

He will take the position over on July 15, succeeding Carl Bateman, who is retiring from the position due to pressure from his position as Hastings County Administrator.

Mr. Cotton, who was born in the Tweed area, has served as administrator for education facilities in the Tweed-Mar-

The health board is formed of municipal representatives and appointees from Belleville, Trenton, Hastings and Prince Edward, and is the governing unit for the Hastings-Prince Edward Health Unit.

HASTINGS BOARD OF EDUCATION

Agreed On Salaries

The conclusion of salary and fringe benefits negotiations between the Hastings County Board of Education and Hastings County elementary teachers has been reached.

An extended health care plan has been agreed upon, which will be operated by Blue Cross, subject to their approval of a plan. No changes have been made in the OHIP plan. The board, however, will administer the Blue Cross plan without contribution towards the premiums.

Effective September 1, the Board will raise its contributions towards group life insurance from 50% to 66 2/3%

of the premium for double salary coverage.

At present, Salary Level Definitions (based upon basic and supplementary teaching certificates and university courses) are those devised locally through negotiations. Subject to certain modifications, the Board will adopt the definitions provided by the Qualifications Evaluation Council of Ontario.

No changes have been made in the sick leave, pension, maternity leave or sabbatical leave plans.

As a result of negotiations, the teachers' salary schedule has been increased for the 1974-

Jamboree Postponed

The bad weather over the July 1st holiday week-end played havoc with the annual Lions' Club Jamboree at the park next to the Town Hall. Rain interrupted most of the activities planned and eventually caused the jamboree to be post-poned.

The Jamboree will be held in the park this week end (July 5 and 6) with the same times and prices applying.

Lions' club members are hopeful that the weekend's weather will prove a little more suitable.

Clean-Up Week

Deseronto Town Council is sponsoring a Clean-Up Week next week, and will be picking up garbage on Friday, July 12, and Saturday, July 13. At this time they will pick up from roadsides garbage that they generally will not accept, such as brush, weeds and rubbish.

Anyone wishing to have the town pick up their garbage must have it in front of their homes BEFORE 8:00 a.m. on each morning.

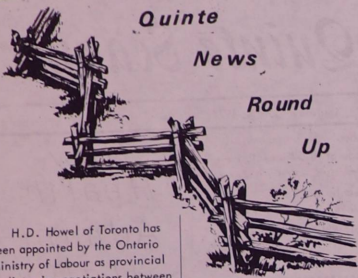

It is hoped that in addition to dispensing with rubbish, citizens in the town will assist in a general spruce-up of property.

News

Round

Up

H.D. Howel of Toronto has been appointed by the Ontario Ministry of Labour as provincial mediator in negotiations between Local 522 of the United Electrical, Radio and Machine Workers of America and representatives of Emerson Canada Ltd. of Napanee.

The Napanee union has been on strike since May 31. Workers are asking for wage parity with employees at Canadian General Electric Plant in Trenton.

Maurice Goulah, owner and publisher of the Madoc Review has announced the sale of the weekly newspaper to Mullan Publications, which operates five other weekly newspapers. The Mullan firm's head offices are located in Marmora. Mr. Goulah will continue to own and operate the commercial printing business in Madoc.

A local Napanee insurance agent, George Grant of Palace Road, has been elected president of the Napanee Rotary Club. He succeeds Garnet Mills. Sam Markle is the new first Vice-President with Jim Davidson serving as second Vice. Wilf Steinman will take over the treasurer's job, with Ralph

Mumby handling the office of secretary.

A summer playground program in nine parks will open in Prince Edward County on July 8, and run until August 23.

The program includes Benson Park, Picton Fairgrounds, Rotary Park, St. Gregory's, Queen Elizabeth Public School, Delhi Park, Pinecrest School, and Sophiasburgh and Athol Schools.

The program for children is operated by the Recreation and Parks Committee.

The Social is sponsored by the L & A Progressive Conservative Women's Association.

Continued on Page 6

Ontario believes that residents 65 or over, the blind and the disabled should have an income of at least \$2600 a year.

In July, Ontario will introduce a Special Benefits program. It will place extra funds on top of federal Guaranteed Income Supplements—enough to guarantee the elderly who are qualified residents of Ontario an income of \$2600 a year. Blind and disabled people who qualify for Family Benefits will also be entitled to these special benefits.

Beginning September 1, approved drugs prescribed by a doctor or dentist will be available, free of charge, to those qualifying for the special benefits outlined above. Family Benefits or the federal Guaranteed Income Supplement. Drug cards will be mailed automatically. You don't have to apply for them.

Who will receive these special benefits?

If you are 65 or over (with an annual income of less than \$2600)...and you now receive both Old Age Security and the Guaranteed Income Supplement... you will receive your benefits cheque each month, automatically. You do not have to apply for it.

If you are 65 or over (with an annual income of less than \$2600)...and you do not receive any federal income supplement... please give us a call. Our telephone number is shown below.

If you are blind or disabled...and you now receive assistance under Ontario's Family Benefit Program... you will receive your benefits cheque each month, automatically. You do not have to apply for it.

If you are blind or disabled...and you do not receive Provincial assistance... please give us a call. Our telephone number is shown below.

Any questions? Call us, free of charge. Dial "O" and ask the operator for Zenith 8-2000. Residents within the Metro Toronto local calling area should dial 965-8470.

reminds vacationing drivers.
Pills won't do the job.

Almost six thousand drivers in Ontario had accidents while backing their vehicles in 1972. When you're backing, make use of bystanders whenever possible. They can help a lot. But you can't depend on them entirely. It's still your responsibility to avoid a backing accident. You can't pass the buck to the guy who lends you a helping hand, says the Ontario Safety League.

Lane changes are a major cause of highway accidents. Look before you leap!

Round

Up

A provincial grant in the amount of \$1,750 has been awarded to the Moira River Conservation Authority to carry out a capital development programme in the O'Hara Mill Conservation Area.

The authority proposes to extend the present parking facilities develop a nature trail, and provide additional picnic and sanitary facilities.

The newly-formed West Lake and District Environmental Association has circulated a petition calling for a ban on commercial fishing in West Lake, near Picton.

The petition states that since the tourist industry depends on a sufficient stock of game fish commercial fishing jeopardizes by depleting the fish supply.

The petition asks for a ban on commercial fishing in the lake "at any time."

The group has also started a second petition to eliminate a winter dam between West Lake and Lake Ontario. Fishermen use this dam to raise the level of water in the lake, blowing the dam in the spring to clear the channel into the lake. Resort owners claim that the raised level results in extensive ice damages to lake-front property.

The Prince Edward Horse and Pony Club will hold a "horse-a-thon" to raise funds for the Wellington Arena Fund. No date has yet been set for the 10 mile event. The horse-a-thon is open to all riders in the area interested in raising funds for the new arena.

Donald Beaumont, owner of a Picton service station is the new clerk for the Prince Edward County Division Small

Claims Court. He succeeds Earl Marvin of Wellington, who has held the post since 1941.

The parent company of Marmora Mining Company, Bethlehem Steel, has issued a two year reprieve of the closing of the mine. The company intends to keep on mining until 1977, but states that beyond this date, the future of the mine is in question. Dwindling ore resources resulted in a decision to close the mine this year, but the demand for ore has made it possible to keep it open longer.

The mine employs 300 Marmora workers and five Picton employees. Much of the economy of Marmora depends on the operation.

New president of the Picton Rotary Club is Milton Fennell, a Cherry Valley merchant. He succeeds retiring president, Howard Mallett. Mew first vice-president is William Duggan, second vice is William West, secretary is Kippy McCalpin, with assistant Carman Slack. New treasurer is Arthur Lloyd, assistant Gordon Oden.

Ellis Wins Again

Jack Ellis won in Hastings again on Monday night, but was given a strong challenge by Liberal contender Marie Kurchak.

Ms. Kurchak, the newcomer who was accused of "parachuting" into the riding, won over 10,000 votes, with Mr. Ellis receiving over 12,000.

Mr. Ellis was expected to win in Hastings, which is well-known as a Tory stronghold.

In neighbouring ridings, the Conservatives, against the national trend, continued to carry the vote.

Doug Alkenbrack, PC, held on to Lennox and Addington against Liberal Grace

Stalker; Conservative George Hees beat out Liberal George Cunningham in Prince Edward-Hastings; and Flora MacDonald again carried off Kingston and the Islands.

Brian Lawlor, aged 4, was the youngest contestant in the Go-Cart races on Saturday.

Deseronto Council

The regular meeting of the Deseronto Town Council was held Tuesday, July 2 at 7:30 p.m., with Mayor Sharpe presiding. All councillors were present with the exception of Deputy-Reeve Brooks and Councillor Whalen. During the course of the meeting, council:

- received a letter from the Hastings County Planning Consultants, Totten Sims Hubicki advising council of the correct procedure for drawing up subdivision agreements. The procedure had been misstated in a previous letter.

- approved payment of the schedule of accounts in the amount of \$30,955.26.

- approved payment of an account to the Deseronto Fire Association in the amount of \$135.00 for the Go-Cart Races and Training Courses at Loyalist College.

- approved the payment of \$639.73 to Bob's Sports and Reprints for baseball and tennis equipment for the Recreation Committee.

- approved payment of \$810.00 to Astra Decoration and Equipment Limited for two bleachers for the baseball

fields.

- heard Councillor Dickinson read the Police Report for the month of June.

- Councillor Dickinson reported that the purchase of the tank truck was up for final approval by the seller.

- Councillor Dickinson reported that work on the drainage problem at Metcalfe's was completed.

- Councillor Neal went on

Soapbox Derby

Every participant was a winner in the Deseronto Soap Box Derby, held Saturday, July 6th, with the Lions' Club Jamboree.

In all, nine boys took part in the races on Centre Street Hill. This year there were

some new entries and seven home-made cars raced against the stop watch while a good crowd of interested citizens and parents lined the sidewalks.

In the 12, 13, and 14 year

More on Page 8

Some of the men were saddled with the cooking at the Annual Lions Club Jamboree last Friday and Saturday. Shown above are some of the proud cooks.

Student Poems

"Skimmed Off the Cream Jar", a book of poems by the students of Tyendinaga Public School, is now available to the general public.

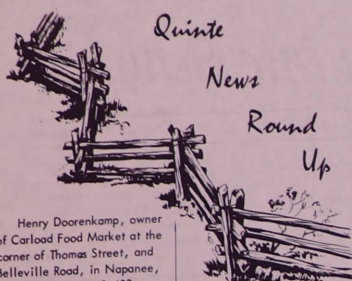

Copies of the book can be obtained from David UU, at Box 40, Shannonsville.

Proceeds from the sale of the book will go towards production and distribution costs, with any excess to be used for a similar volume next year.

Payment for this delightful anthology should be made by cheque or money order payable to the Tyendinaga Public School.

News

Round
Up

Henry Doorenkamp, owner of Carload Food Market at the corner of Thomas Street, and Belleville Road, in Napanee, has offered to rent 2,400 square feet of office space above his store to Napanee Town Council for a police station. The rental, including heat, but not hydro, will be approximately \$400 per month.

through Sunday.

The aquarium displays mainly local fish and some rarer species that are not commonly seen.

Advertisements inviting Picton residents to contact the town fire department for free fire inspections will be placed in the local press. Staff shortages in the Picton Fire Department has made it impossible for all homes in the town to be inspected.

Inspections could be casual instead of complete home tours. Fire committee chairman, Ross Crankwright stated that it would take the present Fire Department four years to inspect all 1,600 households in Picton.

Contract negotiations at Emerson Electric in Napanee have broken down again.

Last week, about 200 striking union members voted to reject two company conditions in a two-year contract.

Douglas Tyner, union spokesman said the company wanted the union to scale down its dollar demands, and did not include a cost of living allowance in the agreement.

The workers are seeking wage parity with electrical workers in Trenton, but ancillary difficulties, is having trouble meeting the union's demands.

Ontario believes that residents 65 or over, the blind and the disabled should have an income of at least \$2600 a year.

In July, Ontario will introduce a Special Benefits program. It will place extra funds on top of federal Guaranteed Income Supplements—enough to guarantee the elderly who are qualified residents of Ontario an income of \$2600 a year. Blind and disabled people who qualify for Family Benefits will also be entitled to these special benefits.

Beginning September 1, approved drugs prescribed by a doctor or dentist will be available, free of charge, to those qualifying for the special benefits outlined above. Family Benefits or the federal Guaranteed Income Supplement. Drug cards will be mailed automatically. You don't have to apply for them.

Who will receive these special benefits?

If you are 65 or over
(with an annual income of less than \$2600)...and you now receive both Old Age Security and the Guaranteed Income Supplement...
you will receive your benefits cheque each month, automatically. You do not have to apply for it.

If you are 65 or over
(with an annual income of less than \$2600)...and you do not receive any federal income supplement...
please give us a call.
Our telephone number is shown below.

If you are blind or disabled...
and you now receive assistance under Ontario's Family Benefit Program...
you will receive your benefits cheque each month, automatically. You do not have to apply for it.

If you are blind or disabled...
and you do not receive Provincial assistance...
please give us a call.
Our telephone number is shown below.

Deseronto

Mrs. Kay Hood 396-2119

Mr. and Mrs. Cyril Bertrand of Richmond Hill, visited her sisters, Mrs. Charles Griffiths and Mrs. Blake Moore in Deseronto and Mrs. Marie Watson, Napanee on Saturday.

Linda and Jennifer Scott of Oshawa and Mr. and Mrs. Murney Scott and Nancy of Napanee, were Saturday dinner guests of Mrs. Lottie Anderson.

The Deseronto Red Cross will have a Pot Luck supper in Centennial Park on Wednesday, July 10th, weather permitting. This will be their last meeting until Fall.

Don't forget that this week is Clean-Up Week in Deseronto. A good opportunity to spruce up your property.

Mrs. Ethel Tomkins and son Phillip of Adolphustown were Sunday guests of Mrs. James Hines.

EXHIBIT

A new exhibition of stoneware has been installed in the Canadiana Section of Glanmore, the Hastings County Museum, at 257 Bridge Street, West in Belleville. A private collector has loaned a large series of the pottery of the

Hart Family to the museum for the duration of the summer. They trace the development of the well known blue marked pots from the first works in Fulton, New York through the companies at Pictou to the conclusion in the Belleville Pottery Company. The unique "ride Upon" churn is of particular interest to all stoneware collectors. The museum is open to the public Tuesday to Saturday, 10.00 a.m. to 5.00 p.m.; Sundays 1.00 p.m. to 5.00 p.m. and closed on Mondays throughout July and August.

Deseronto Police Monthly Report

During the month of June the Deseronto Police Department investigated 3 reportable accidents and 2 non-reportable. No persons were killed or injured, and no accidental deaths reported.

13 charges were laid under the Criminal Code, 10 under the Liquor Control Act, and 8 under the Highway Traffic Act. No charges were made under other Provincial Statutes, By-Laws or for parking or metre violations.

The force investigated 27 complaints and received 242 other calls.

2 persons were arrested for other forces, 5 summonses were served for other forces, and the force conducted 4 investigations for other forces.

There were 3 thefts under \$50.00. Value of property stolen totalled approximately \$7.00. Value of property recovered was estimated at \$100.00.

During June Chief Beattie took 7 days vacation.

Total overtime accumulated was 304 hours. Court time totalled 12½ hours. The police cruiser travelled 2282 miles.

MIX AND MATCH VEGETABLE GARDENS

You know how easily clothes can be mixed and matched. Gardens can be mix-matched too. Try mixing some vegetables in with your annuals and perennials. Any small area in your garden can produce vegetables: perhaps a 15 square foot area between flowering shrubs or a 10 X 10 foot annual bed. These small open spaces in your garden can produce fresh vegetables with excellent taste at little cost.

The key to growing vegetables in the back garden is well-prepared soil. Well-drained open spaces in full sunshine are ideal. Shrubs that may shade garden areas should be pruned back. Dig in compost, peat moss or manure to enrich the soil.

You might try tomatoes, beans, onions, peppers, cucumbers and radishes. Buy your seed as early as you can. A rule of thumb in sowing the seed is to cover it to twice its diameter.

Beans and cucumbers can be trained to climb on wires or string on the back fence. These climbers make excellent screens and green backgrounds to show off annual flowers.

Onions, including the sweet Spanish variety, can be bought as sets or seedlings. Plant them about one inch apart. In about three weeks, pull out every other one for use as green onions.

Work on the reconstruction of the burnt-out bowling alley and laundromat on Deseronto's Main Street is progressing. This picture shows the roof being constructed.

Obituaries

JOSEPH BERT LEAFE

Joseph Bert Leafe of 97 Green Street, Deseronto, passed away at Belleville General Hospital on June 26, 1974 at the age of 66 years.

Mr. Leafe was born in Deseronto on December 31, 1908 to the late Bert Leafe and the late Alice Pearson.

He was the beloved husband of Mary Westgate and the dear father of Joh, Robert, Paul, Ted, Pat and Sue, all living at home.

Mr. Leafe was predeceased by three sisters, Bella (Mrs. Wilson Maracle), Lillian, and Alice.

Mr. Leafe was a former member of the Hastings-Prince Edward Regiment and served overseas in Sicily, Italy, France, Belgium, Holland and Germany. He was a member of the Royal Canadian Legion, Branch #280, Deseronto and attended St. Mark's Anglican Church in Deseronto.

A Legion Service for Mr. Leafe was held on June 28th.

Funeral services were held on June 29 at 3:00 p.m. with Rev. Frank Bell officiating. Pall bearers were Ray Sweet, Jack Berry, Al Reid, Johnny Punched, Henry Mudd, Clarence Wager, John Johnson and Fred Young.

Interment followed at Deseronto cemetery.

EARL DUNCAN FRASER

Earl Duncan Fraser, of R.R.# 2, Picton passed away at Belleville General Hospital on June 25, 1974 after a lengthy illness. He was 56 years of age.

Born in Madoc on October 4, 1918, he was the son of the late Ervin Fraser and the late Jennie Rose.

He was the beloved husband of Dorothy Maracle and the dear father of Wayne of Dundas, Ontario; James of R.R.#2, Picton; Clarence (Jay) of Calgary, Alberta; Earl, Jr. of Deseronto; and Jerry, at home.

He was the brother of Maxwell, of Belleville; Douglas of Belleville; Jean (Mrs. Jack Tweedy) of Belleville; Betty (Mrs. Carmen Schwager) of Trenton and Lela (Mrs. Grant Gaebel) of Madoc.

Mr. Fraser lived for some time in Deseronto before going

to work as a mechanic in Belleville.

He served overseas in Sicily, Italy, France, Belgium, Holland and Germany, and was a member of the Royal Canadian Legion, Branch #280, Deseronto. A Legion service was held on June 26th.

Funeral services were held on June 27, 1974 at 2:00 p.m., with the Rev. Frank Bell officiating. Pall bearers were John Punched, Al Punched, Al Reid, Harry Mudd, Clarence Wager and Jack Berry.

Interment followed at Deseronto cemetery.

Ontario Tourism Streamlined

How Ontario plans to streamline its tourism development was outlined in Toronto last week at the first joint meeting of the province's 10 new travel associations and the ministry of Industry and Tourism.

The first giant step was the re-organization of 30 former regional tourist councils into 12 vacation areas embracing the province's entire tourism plant. This was accomplished after months of consultation with ministry tourism division officials which set priorities for tourism development and promotion, and the role the tourist associations will play.

The ministry's funding structure provides an outright \$30,000 administrative grant and a \$45,000 cost-sharing grant to each travel association.

In Northern Ontario, the Ministry will absorb 90 per cent

of the latter amount for marketing, research and development projects. In Eastern and Central Ontario, the ratio is 75 per cent and 50 per cent for the rest of the province.

In leading the discussions, Fred Boyer, executive director of the ministry's tourism division, said, "Ontario tourism is now a \$2 billion a year business and if resources of people and dollars are made available to us, we foresee \$3.1 billion by 1979."

Mr. Boyer added that \$1.2 billion of the 1979 projection would be accounted for by U.S. and overseas visitors.

The 10 operating associations come under the ministry-sponsored Ontario Travel Association Program which is coordinated by the Ministry's Doug Jure.

The association for this area is the Eastern Ontario Travel Association in Lansdowne. G.G. Seymour is the President.

quarters in Toronto.

The usual special features are being planned with a large flotilla of boats expected to anchor in the bay off the park.

Madoc on Saturday, July 13 at 2 p.m.

Pierre Berton is the winner of this year's "Man of the Year" Peace Award, granted annually by the Lester B. Pearson Peace Park to the Canadian citizen who has made the most outstanding contribution to Canadian unity and/or world peace.

The award will be presented to Mr. Berton at the 8th Annual Peace Park Festival, Highway No. 7, near Tweed and

Dr. James Bonn of Trenton caught the largest bass in the Wellington Lions Club fishing derby over the Dominion Day Weekend. The fish weighed in at 4 lb. 9.5 oz.

The derby raised \$150 for the village's arena rebuilding fund. The Wellington arena burnt down last winter.

were called to the scene. Damage totalled an estimated \$12,000.

Recipe of the Week

BOILED DINNER

- 3-4 lb. fresh brisket of beef
- 1/2 teaspoon whole black peppers
- 2 bay leaves
- 6 whole cloves
- 1/2 teaspoon liquid hot pepper seasoning

- 1 tablespoon salt
- 4 onions, peeled and halved
- 4 carrots, pared and halved
- 4 parsnips, pared and halved
- 1 head cabbage (2 lb.) cut in eighths.

- 1. Wipe beef with damp paper towels.

- 2. In large kettle, place beef with seasonings. Cover with water (about 2 quarts)

- 3. Bring to boiling. Cover, reduce heat; simmer 2 1/2 hours, or until almost tender.

- 4. Add vegetables. Return to boiling, simmer 25 to 30 minutes, or until b

utes, or until vegetables and beef are tender.

- 5. To serve: Drain well. Slice brisket across grain in thin slices. Serve with vegetables and horseradish.

Makes a hearty meal for 6-8 people.

Lennox and Addington Tennis Club has embarked on an ambitious program to raise funds over the next five years to buy land and construct four outdoor tennis courts, two indoor courts and an indoor Olympic size swimming pool.

It is now printing tickets for a raffle of \$50 worth of sports equipment. Other projects are being planned. The proposed facility is expected to attract swimming and tennis matches, with out of town competitors.

A motor home owned by visitor Robert Parsons of New York caught fire on Main Street, Picton near the Globe Hotel last Tuesday night.

The fire, which started in the engine was noticed by a passing motorist and firefighters

SOAP BOX DERBY

Continued from Page 1

Gary Thompson won the award for the best go-cart. He is being presented with his trophy by Vern Boomhower.

old class, Cory Vick was the winner in 12.7 seconds with Bobby Roebuck second in 13.6 seconds.

The 9, 10, and 11 year old class had the most participants with five boys competing. Bobby Parker finished first in 12.5 seconds, Jeffrey Boomhower was second with 12.8 seconds. Timmy Reid was third with 12.9 seconds, Donald VanAlstyne was fourth with 13.0 seconds. Fifth was Billy Silver with 13.2 seconds. All five of

the boys' time was very close as there was less than one second between the first and fifth places.

In the 8 years and younger category, 8 year old Gary Thompson placed first with 12.4 seconds, while four year old Brian Lawlor placed second with 13.3 seconds.

The special prize for the best looking and most durable machine was awarded to Gary Thompson.

The boys showed a lot of

ingenuity and a little of Father's help in the design and construction of their cars.

Following the race, a presentation ceremony was held in the Park when each boy received a trophy which will later have his name engraved on it. As well everyone involved in the races received a free hot dog and a drink.

The first place winners in all three classes took home a large trophy, which will later be placed in a down town store window with their names on it.

The sponsors were pleased with the interest in the races this year and look for more entries next year when perhaps some girls will enter too.

Some of the "Easy Riders" competing in the derby.

Council

Continued from Page 1

record as objecting to the change in the price of the tank truck.

- Councillor Brooks read the minutes of the Recreation Committee.

- instructed the Clerk to send a letter to the Streets Department, c/o Orval Brant, thanking him and his men for extra work done, often on their own time, for the Recreation Committee.

- hired Orval Brant as the Caretaker/Attendant at the Town Disposal Site on the Slash Road at the rate of \$60.00 per month, effective July 1, 1974.

- Reeve Lyons reported that a third reading had been given to the Hastings County Official Plan on June 25th. The plan is now awaiting final approval by the Ministry in Toronto.

- granted permission to Thomas McAlite to occupy part of the Main Street while a crane is erecting trusses at his Bowling Alley and Laundromat. Council agreed providing

that the area is properly barricaded and supervised.

- decided to ask the weed inspector if anything can be done about weeds on vacant lots, as this has become a problem in Deseronto.

- adjourned into Committee of the Whole at 8:35 p.m. Council authorized the Deseronto Police Department to purchase radios on the Ontario Provincial Police frequency. Cost is not to exceed \$1,000.00. A police office attendant will be hired on a casual basis until the radios can be installed. Council thanked Chief Beattie for his attendance at the meeting, and also for his excellent explanations of some of the problems encountered.

Ideal Venders Gives 15¢ Raise

Ideal Venders has given workers a 15 cent an hour increase from now until their contract expires on April 30, 1975, after a wildcat strike at the plant last week.

150 workers, members of Local 8123 of the United Steelworkers of America, walked off their jobs to strike for an increase due to the cost of living. The amount of voluntary overtime was also an issue.

Union officials, including

president Wayne Elmy, remained at work during the walkout, and attempted to get the striking workers back to their jobs.

The company stated that it was willing to negotiate, but not in the middle of an illegal strike. When the night shift reported for work on Monday, union and management negotiated the increase.

Ideal Venders is the largest manufacturer of automatic vending machines in Canada.

Lennox Plant Fired

Over three years of intense construction activity at Ontario Hydro's Lennox Generating Station has led to the boilers of unit # 2 being fired for the first time this week. Lennox Generating Station, located 4 miles west of Bath on Highway #33 is hydro's first oil fired Generating Station.

Throughout the first half of 1974 construction work on the various components of the unit #2 boiler system has been focused on an early July completion date. Many hours have been spent testing the individual components and control mechanisms involved in the delivery of air, oil and water to the boiler area. Now the time has arrived to start cleaning the boiler system. Various chemicals including an acid flush are used as cleaning agents.

During the final testing, before steam is passed to the unit #2 turbine generator, some noise will result from the venting of steam to the atmosphere. Every effort will be made to limit these releases to the daylight hours.

L&A Library, Museum Move

The county library board, the town police, and the county museum in Napanee will be moving to new quarters within the next year, according to Lennox and Addington County councillors.

Officials are hoping that the police will be out of the premises behind the court house by October. This space will then be renovated and used as a county museum. When this is accomplished, the top floor of the library, now used to store museum material, will enable the overcrowded county library-museum material, will be freed to enable the overcrowded county library staff in the basement to move up.

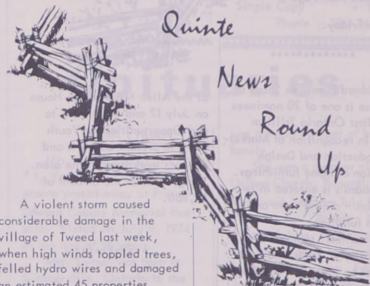

So far everyone in this complicated version of municipal chairs has found a seat except the police. Council is still looking for a site for police headquarters.

The town of Napanee will be reimbursed \$3,000 for renovations already made to the existing police headquarters.

Quinte

News

Round Up

A violent storm caused considerable damage in the village of Tweed last week, when high winds toppled trees, felled hydro wires and damaged an estimated 45 properties.

Two persons were admitted to hospital, five others were treated and released. Winds gusted at close to 100 miles an hour and damage may exceed one million dollars.

An Opportunities for Youth grant has enabled the publication of a weekly directory of events in Prince Edward County.

The booklet, entitled Prince Edward County Summer Calendar will list events such as auction sales, baseball games, teas and special museum displays, and will be available free in county stores and parks.

Events can be listed in the calendar by calling 476-6711 from 1 p.m. to 4 p.m. Monday

Continued on Page 2

Best Fair Yet

Robert Brown, president of the Napanee Fair Board, has predicted that this year's fair will be bigger and better than ever.

The three day event, beginning August 3, is expected to attract up to 10,000 persons. Some of the attractions will be Conklin's Midway with 14 different rides and concessions, an amateur talent show, a holstein show, a concert, tug-of-war competitions, a hog show, a horse-drawing contest, and exhibits by 15 area women's institute groups.

The grand finale will be a dance at the arena. The board also hopes to organize harness races.

Frontenac County Council has concurred with Lennox and Addington Council's decision to petition the Minister of Transportation and Communications to finance an alternate route to Highway 33. The alternate route would be a county road running from west of the Lennox Generating Station to somewhere in Kingston Township.

CARS STOLEN

Two Deseronto cars were stolen early Monday morning from the park at Metcalfe Foods.

Both cars, owned by Jerry Maracle and Ross Tandy, had keys left in the vehicle.

The Maracle car was subsequently found abandoned in a ditch 100 feet north of Highway # 2 on the Boundary Road.

The second vehicle owned by Mr. Tandy was discovered in the Marlbank area. The vehicle had sustained some damage to the front end.

Quinte News Round Up

Continued from Page 1

through Friday.

Gibbard Furniture Shops of Napanee is one of 20 nominees in the first Ontario Trillium Awards in recognition of Marketing, Production and Design innovation of home furnishings.

Gibbard's is entered in two categories - dining room and bedroom furniture.

The contest, sponsored by the Ministry of Trade and Tourism, will be judged at the Canadian National Exhibition at the Better Living Centre where the competitors' products will be on display.

An inquest will be held into the death of Pictou public works employee David Jarvis, who was killed last Monday when a front end loader fell from an embankment at Delhi Park in Pictou. Mr. Jarvis was trapped under an estimated nine tons, and died shortly before a crane from the McFarland Construction Company lifted the wreckage.

A date for the hearing has not yet been set.

The brass quintet, a group consisting of five members of the NDSS senior band, will present free outdoor concerts

at the Allen MacPherson House on July 17 and 28, thanks to and Opportunities for Youth grant to present concerts and conduct workshops in the area. The grant is in the amount of \$5,260.

George Cunningham, defeated Liberal candidate for Prince Edward-Hastings has decided to drop action over a Conservative election advertisement, which appeared in a local paper on election day. Mr. Cunningham had charged that the ad contravened the election act, which puts a ban on radio and television advertising for 24 hours prior to an election.

The Liberal Ontario campaign headquarters has since advised him that newspaper ads are not specifically indicated in the act, and that the ad made "no great difference" to the outcome of the campaign.

Ontario believes that residents 65 or over, the blind and the disabled should have an income of at least \$2600 a year.

In July, Ontario will introduce a Special Benefits program. It will place extra funds on top of federal Guaranteed Income Supplements—enough to guarantee the elderly who are qualified residents of Ontario an income of \$2600 a year. Blind and disabled people who qualify for Family Benefits will also be entitled to these special benefits.

Beginning September 1, approved drugs prescribed by a doctor or dentist will be available, free of charge, to those qualifying for the special benefits outlined above. Family Benefits or the federal Guaranteed Income Supplement. Drug cards will be mailed automatically. You don't have to apply for them.

Who will receive these special benefits?

If you are 65 or over
(with an annual income of less than \$2600)...and you now receive both Old Age Security and the Guaranteed Income Supplement...
you will receive your benefits cheque each month, automatically. You do not have to apply for it.

If you are 65 or over
(with an annual income of less than \$2600)...and you do not receive any federal income supplement...
please give us a call.
Our telephone number is shown below.

If you are blind or disabled...
and you now receive assistance under Ontario's Family Benefit Program...
you will receive your benefits cheque each month, automatically. You do not have to apply for it.

If you are blind or disabled...
and you do not receive Provincial assistance...
please give us a call.
Our telephone number is shown below.

Any questions? Call us, free of charge. Dial "O" and ask the operator for **Zenith 8-2000**. Residents within the Metro Toronto local calling area should dial **965-8470**.

Obituaries

LAURA LYMAN

Mrs. Laura Lyman of R.R. #1, Yarker, formerly of Deseronto passed away at Prince Edward County Memorial Hospital, Picton on July 9, 1974 at the age of 96 years.

Mrs. Lyman was born in Summerville, Ontario to the late Peter Shatraw and the late Lucy Levelly.

She was the beloved wife of the late Edward Lyman and the dear mother of Mrs. Lillie Akey, R.R.#1, Yarker. She was predeceased by two daughters and two sons. Mrs. Lyman

was the last member of her family.

She was a member of the United Church. Funeral services were held on July 12, 1974 with Rev. Robert Thompson officiating. Pall bearers were Herb Shatraw, Gordon Joyce, Tom Jackson, Eddie Lindsay, Sandy Harvey and Carl Tinney. Interment followed at Deseronto Cemetery.

TAMMY DAUN SILVER

Tammy Daun Silver of 317 Main Street, Deseronto passed away on July 8, 1974 at Kingston General Hospital at the age of 2 days.

She was the daughter of Harold Silver and Marion King and the sister of Mary, Billie, Karen Ann, Robert, Brian, Shelley and Christine, all at home. She was born in Lennox and Addington County General Hospital on July 6, 1974.

Funeral services were held on July 11, 1974 with the Rev. William Rowe of the Pentecostal Church officiating. Interment followed at Deseronto Cemetery.

In Loving Memory

IN MEMORIAM -
SILVER - In loving memory of a dear wife and mother, Alma, who suddenly passed away July 18, 1972.

Today recalls sad memories
Of a dear one gone to rest,
And the ones who think of her today,
Are the ones who loved her best.
Sadly missed by husband Jesse and families.

TOWN OF DESERONTO

June 15, 1974

 His Worship the Mayor,
 Members of Council,
 Inhabitants and Ratepayers
 of the Corporation of the
 Town of Deseronto.

We have examined the 1973 financial statements of the Corporation of the Town of Deseronto, and its local Boards, which are listed on the attached Index. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion, these financial statements present fairly the financial position of the Corporation of the Town of Deseronto, and its local Boards, as at December 31, 1973, and the results of their operations for the year then ended, in accordance with accounting principles, generally accepted for Ontario, Municipalities, applied on a basis consistent with that of the preceding year.

 Municipal Licence Number 674

**STATEMENT OF REVENUE
AND EXPENDITURE**

for the year ended December 31, 1973

Reserves and reserve funds	52,522	52,517
Accumulated net revenue (deficit) and unapplied capital receipts	40,185	31,384
	174,257	164,136

NOTES TO**FINANCIAL STATEMENTS****(1) CHARGES FOR NET LONG TERM LIABILITIES:**

Total charges for the year for Net Long Term Liabilities were as follows:

Principal Payments	\$ 1,900
Interest	2,379
Total	\$ 4,279

Of the total Charges shown above \$7,279, was recovered from the Municipal Enterprise, for which the related net long term liability was incurred.

(2) BASIS OF CONSOLIDATION:

The Consolidated Balance Sheet reflects the Assets and Liabilities of the Revenue Fund, the Capital Fund and all Reserve Funds of the Municipality. Trust Fund Assets administered by the Municipality, amounting to \$39,462, have not been consolidated, nor have the assets and liabilities of any local boards of the Municipality.

(3) NET LONG TERM LIABILITIES:

Total Long Term Liabilities incurred by the Municipality and outstanding at the end of the year amount to 316,300.

Of the Long Term Liabilities shown above, the responsibility for payment of Principal and Interest charges has been assumed by others for a principal amount of 753,000.

Total Net Long Term Liabilities at the end of the year 63,300.

(4) CAPITAL OUTLAY TO BE RECOVERED IN FUTURE YEARS:

Some Capital Outlay does not represent a burden on General Municipal Revenues, as it is to be recovered in future years from other sources:

Municipal Enterprises - Water Supply System	63,300
---	--------

(5) CONTRACTUAL OBLIGATIONS:

Under date of February 3, 1969, the Corporation passed by-law Number 1618, whereby it entered into an Agreement with Ontario Water Resources Commission, for the provision of sewage service to the Corporation of the Town of Deseronto. Under the terms of this Agreement, Ontario Water Resources Commission agreed to supply sewage service to the Municipality, and the Municipality agreed to pay Ontario Water Resources Commission for this service as follows: -

- (a) A gallonage charge of \$1.08 per 1,000 Imperial Gallons to be adjusted by 1c per 1,000 Imperial Gallons for each variation of \$8,795, between the cost of provision of the initial components of the sewage works and the estimated cost of \$1,210,305. Subsequent to this Initial Agreement, and as a result of Grants being provided by the Province of Ontario for sewage works, the gallonage charge was adjusted downwards to ninety-one and one-half cents (91½) per 1,000 Imperial gallons.

As a result of Additional contributions by the Province towards provision of sewage works the gallonage charge was adjusted downwards to 76.3c per 1,000 Imperial Gallons effective August 1, 1973.

- (b) Plus all sums imposed as "frontage" or "connection" charges.

(6) LIABILITY FOR VESTED SICK LEAVE BENEFITS:

Under the sick leave plan, unused sick leave can accumulate and employees may become entitled to a cash payment when they leave the Municipality's employment.

The Liability for these accumulated days, to the extent that they have vested and could be taken in cash by an employee on terminating, amounted to \$1,300, at the end of the year. No provision has been made for this liability.

HYDRO HEARINGS

Some Ontario municipal electric utilities are moving toward a summer-time peak in their demand for electricity instead of the traditional winter peak, E.G. Bainbridge, Ontario Hydro's director of consumer service told the Ontario Energy Board in Toronto last week.

The increased use of air conditioning is the reason for the change "particularly where there are large office complexes that are highly air conditioned," Mr. Bainbridge said. Most Canadian electric utilities reach their highest demand for service in the winter months, while in the U.S. many of the states have summer month peaks because of high air-conditioning use.

Discussing energy conservation programs and their effect on air conditioning, the Board was told that in the U.S. people tend to conserve energy only in off-peak periods. As a result, U.S. electric utilities with conservation programs are seeing their load-factor decline in the first year of a program, but the rate of increase picks up again the following year.

Questioned on whether a similar situation could occur in Ontario during a peak winter heating period, Mr. Bainbridge told the Board: "We do not feel we have enough data on conservation and its effect on our system yet to determine that it would react in an important way."

Mr. Bainbridge is one of about 50 Ontario Hydro witnesses who are appearing before the Ontario Energy Board in support of Hydro's proposal for an increase of 15 per cent in rates in 1975. During the past week, Hydro's witnesses have been cross-examined on their evidence by lawyers representing some of the 22 intervenors and the Energy Board. Examination of the Hydro evidence is expected to continue for several more weeks.

Fund Grows

The Deseronto and District Community Centre Building Fund campaign was recently extended for one full year, to September 1975.

The committee decision was deemed necessary in view of a lack of any Government programme to assist the town with construction of the proposed \$250,000.00 arena.

The fund raising committee under the leadership of Clarence

Zieman, has remained active, and donations continue to swell the building fund.

Continued pressure is being exerted at both the Federal and Provincial level of Government for financial assistance. The committee is hopeful of a Government programme, to replace the Winter Capital Projects Fund, which was over-subscribed prior to consideration of the Deseronto application.

Health Unit To Move

The Hastings and Prince Edward Counties Health Unit and the Hastings County Board of Education are pleased to announce that the Health Unit has acquired from the Board the premises at 208 Bridge Street East, Belleville, Ontario. A further announcement will follow as to when the Health Unit will be moving to the new quarters.

Car Thief Found

A thirteen year old Napanee boy has been charged with the theft of three automobiles in Deseronto.

The boy was discovered last Tuesday night by Police

Chief C. Beattie with the keys to a car owned by Mr. Marvin Brooks of Deseronto, which had been parked behind the Deseronto Legion.

Other cars stolen last week belonged to Jerry Maracle and Ross Tandy. The cars were in the park at Metcalfe Foods. Front end damage was sustained by the Tandy car.

VANDALISM

Metcalfe Foods Deseronto plant was broken into last Friday night (July 19) by an unknown person or persons.

Three vending machines in the plant sustained extensive damage. The machines were owned by A. & N. Vending of Belleville.

The vandalism is being investigated by Deseronto Police.

Museum Films

The Hastings County Museum will be showing the following films, courtesy of Video Action, and Experience '74 Ontario Government Programme, sponsored by the Youth Secretariat for the Ontario Education Communications Authority. To assist the O.E.C.A. survey, viewers will be asked to complete a short questionnaire on the programmes they view. Normal charges to the Museum will prevail for these showings.

Kan-Yen-Geh Lacrosse

by Brant Maracle

Brant Maracle, President of Kan-Yen-Geh People's Lacrosse and Cultural Centre, Tyendinaga Reserve, Deseronto wishes to inform the public of the accelerated interest in lacrosse on the Tyendinaga Reserve.

Tyendinaga's Kan-Yen-Geh People's Lacrosse Team played in St. Regis on July 4th with the Akwesasne Mohawks. While Kan-Yen-Geh People's were defeated by one goal (6-5), still the game was highly rewarding as this was the first official lacrosse game involving the Mohawks of Tyendinaga in well over fifty years!

For a three week period

prior to July 16, the boys, ages 7-16 were involved in a lacrosse clinic at Kan-Yen-Geh lacrosse grounds. Andy Wilson and David Austin, players with the Kingston Kings who are under the auspices of the Ontario Lacrosse Association, served as instructors.

Coached by Jonathan W. Maracle, the Kan-Yen-Geh PeeWee lacrosse team played in Gananoque on Tuesday July 16. The Kan-Yen-Geh PeeWees won a great victory defeating Gananoque by a score of 4 - 2. Scoring in this fast moving, hard hitting game were Timothy Maracle with one goal, and Trevor Brant with three goals - the "hat trick".

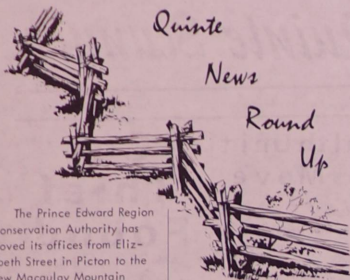

This was the first PeeWee lacrosse game involving the Tyendinaga Mohawks in the history of the Reserve!

On Sunday, July 21 at the Tyendinaga Reserve, the Kan-Yen-Geh People's Senior Lacrosse team played the Akwesasne Mohawks from St. Regis in a return game. Approximately 300 spectators watched the teams play a hard-fought contest right down to the wire. The game ended in a 6-6 draw. Scoring in this game for Kan-Yen-Geh People's were Jonathan W. Maracle with one goal, Thomas Maracle with two goals and Audie Brant with three goals. Watching this game, one became aware of the fact "that if lacrosse were in a package it would be called dynamite!" Lacrosse is considered by many to be the roughest and fastest game in the world.

As lacrosse serves as Canada's National sport, the Mohawks of Tyendinaga are determined to put Tyendinaga on the lacrosse map of Canada!

The Executive Directors of Kan-Yen-Geh People's Lacrosse and Cultural Centre, Brant J. Maracle - Pres-

Continued on Page 6

The Prince Edward Region Conservation Authority has moved its offices from Elizabeth Street in Picton to the new Macaulay Mountain Conservation Building.

The Lennox and Addington Cemetery Recorders, a part of the Lennox and Addington Historical Society, have received a New Horizons grant for the sum of \$6,450 to gather information about the county's settlers from tombstones and cemetery officials.

The money will be used to provide office supplies and pay a part-time coordinator. Lennox and Addington is one

of the oldest counties in Canada, and graveyards often supply valuable information to persons tracing their family trees.

The program currently has 35 volunteers. Anyone interested in the project is asked to contact the coordinator, Mrs. Howard O'Connor of First Avenue, Napanee.

The Lennox and Addington County Board of Education plans to hold an orientation evening for new teachers on Sept. 9. \$500 will be set aside for the event, which will include a dinner.

The Lennox and Addington County Board of Education has hired Teake Vienstra to

succeed Clifford Cotton as business administrator and treasurer. Mr. Cotton recently accepted a position with the Hastings-Prince Edward Health Unit in Belleville.

Mr. Vienstra, who assumes his duties on August 19, is a Queen's University graduate and has been working as chief accountant and treasurer of the Bruce County Board of Education.

A new schedule has been drawn up for the use of the tennis courts at the Gibbard Athletic Field in Napanee. The courts will be available for community use from 9 a.m. to 7 p.m., Mondays, Wednesdays and Fridays; 9 to 4 on

Tuesdays and Thursdays. 9 a.m. to 2 p.m. and 5 p.m. to 7 p.m. on Saturdays and Sundays from 9 to noon, 4 to 7 and 9 till 11 p.m.

In addition special times are set aside for adult tennis: 7 p.m. - 11 p.m., Tuesdays Thursdays and Fridays; 2 p.m. to 5 on Saturdays; and noon to 2 p.m. on Sundays.

The rest of the court time has been allotted to the Lennox and Addington Tennis Club, and to tennis clinics sponsored by the recreation committee.

Obituary

ESTELLA KATHLEEN MOORE

Estella Kathleen Moore, of Deseronto, Ontario, formerly of Napanee, passed away on Sunday, July 21, 1974 at the Quinte Beach Nursing Home, Highway # 2, Deseronto, in her 83rd year.

Mrs. Moore was the daughter of the late Damon Perry and the late Maude Frink. She was the beloved wife of the late Herbert Moore, and the dear mother of James Aubrey, Kingston; Mrs. Roy Woodcock (Beatrice) of Deseronto; Mrs. Bill Watson (Jean) of Bath; Bryce of R.R. #6, Napanee; and Mrs. Bernard Claus (Isobel) of R.R. #1 Deseronto. Dear sister of Orval Perry of Oshawa, and predeceased by three brothers and two sisters.

Mrs. Moore is survived by 25 grandchildren and 44 great grandchildren.

Mrs. Moore is resting at the White and Morris Funeral Home, Deseronto. Service on Tuesday, July 23, 1974 at 1.30 p.m., with the Rev. Wm. Rowe officiating.

Interment will take place at Riverview Cemetery, Napanee.

ident; Harold Brant - Vice President; Gordon Hill - Treasurer; and Jonathan W. Maracle - Secretary, as well as the players of the teams wish to thank the general public and particularly the adults of Tyendinaga Reserve for their support to date. It was a real delight to see so many of the parents of players and other adults of the Reserve journeying to Gananoque on July 16 to cheer their PeeWees on to victory.

Another team, Kan-Yen-Geh Bantam Lacrosse Team has been formed on the Reserve. This team will be coached by Jack Green and Burnie Burnhart.

The next scheduled lacrosse game is in the Gananoque arena on Thursday, July 25 at 8:30 p.m. between the Gananoque Junior-Seniors and the Kan-Yen-Geh People's Junior-Senior team.

The general public is invited to all the scheduled games of the Kan-Yen-Geh People's Lacrosse Teams. The home games are played at the lacrosse box which is located at the corner of York and Norway Side Road on the Tyendinaga Reserve, Deseronto Ontario.

HYDRO HEARINGS

ENERGY BOARD MAY ATTEMPT TO MEASURE IMPACT OF HYDRO RATE INCREASES

The Ontario Energy Board presently conducting public hearings on Ontario Hydro's proposed rate increases for 1975, may attempt to measure the impact of those increases.

Addressing the Toronto hearings, R.W. Macaulay the Board's legal counsel said, "One of the very best ways of getting at some of the impact, is to cross-examine some of the municipalities on their ability to absorb it." He added that he would attempt to obtain municipal utility opinions on their ability to absorb it. He added that he would attempt to obtain municipal utility opinions on what is likely to happen within the municipality in "trying to pass on these increased rates."

Hydro is proposing a 15 per cent increase to municipal utilities and a 16 per cent increase to the direct industrial customers in the province.

Several municipal electrical utilities and the Association of Direct Customers of Ontario Hydro (ADCOH) which represents some 37 major industries have indicated their inability

to absorb the rates.

Mr. Macaulay asked the legal counsel for ADCOH to obtain, from each company belonging to the Association, replies to some 35 questions which he believes may assist in measuring the impact of increased electrical rates.

He told the Board that this is the kind of information it should have in order to make some kind of assessment.

The questions which the industrial customers will be asked to answer deal with the nature of their product, sales volume, gross and net profits, number of employees, the electrical consumption, annual power bills and monthly peak demand for electricity.

Dr. R.H. Hay, representing the Ontario Municipal Electric Association, told the Board that "not one of us", referring to the municipal electric utilities, "is really in the

position to absorb this sort of increase without some impact, some considerable impact on our own customers."

The public hearings on Hydro's rate proposals are now in their sixth week and are expected to continue for several more weeks.

Living Metric

Metric Speak

or learning how to talk in tens

The metric system is becoming a fact of life in Canada. And the good news is that the Metric Conversion Act of 1975, which will make the Metric system the official system of measurement in Canada and the national campaign to gradually convert the Canadian economy from the complex imperial system to the metric system of weights and measures.

Why go metric? The answer is simple. Ninety percent of the world is not using our Imperial system of measurement and that includes Great Britain where it all started. As a nation that relies heavily on trade, if we want to do business with the rest of the world, we'd have to talk their language and convert to specifying sizes, weights and amounts that language is metric or talking in tens. But don't worry about learning how to talk in tens. The changes will be gradual. And you'll be getting plenty of expert help from government and industry. Involving Bowater Canadian, we've been making progress in metric measures in Canada for years. And this is the first of a series designed to help you get acquainted with metric.

ONE MILLION	MEGA
ONE THOUSAND	KILO
ONE HUNDRED	HECTO
TEN	DECA
ONE Tenth	DECI
ONE HUNDREDth	CENTI
ONE THOUSANDth	MILLI
ONE MILLIONth	MICRO

The whole metric system is based on tens. The commonly used measurement units (logarithmic or decimal weights) relate to volume, metres (for length) are made bigger or smaller by the addition of a prefix (a word) and a power of ten multiplier by tens. For example, a centimetre is one hundredth (0.01) of a metre. A kilometre is 1000 metres. Learn these few easy terms and prefixes and you'll have the measure of the world. And you'll be able to talk about it in the language everyone understands.

Blasting Caps Found on Main Street

A blasting cap was found early Friday afternoon on Main Street in Deseronto by Police Chief Carl Beattie. It is believed that the cap is one of 200 which were stolen last weekend in Napanee.

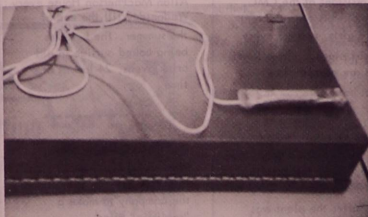

Chief Beattie urges that anyone finding a cap to immediately contact police. Under no circumstances should the finder attempt to pick up the object.

The caps are roughly 3/4 of an inch long and about the size of a pencil, with two 24-inch long wires trailing from the body.

The caps come in red and white heavy cardboard boxes marked with CIL identification.

The wires on the caps may be white, green or yellow.

Extreme care must be exercised

Danger!

when handling the caps as even a mild blow will serve to detonate the device.

On finding a suspected cap, the Deseronto Police

Department can be contacted at 396-2445, the Napanee police at 354-2192 or the Napanee OPP at 354-3369.

- public interest groups will be encouraged to form and meet with township and county governments with a view to assisting in the development of the county.

- a parkway concept of scenic roads will be established within the framework of existing roads, and construction of new roads, plus addition of trails for hiking, cycling and snowmobiling.

ODD JOBS WANTED

youth here

Twenty to twenty-five young people will be in Deseronto next Monday to participate in the Community Help Program.

The young people, who are coming from Lake Wood, Ohio, will be in town to do odd jobs for senior citizens.

Any chores, such as house-cleaning, window washing, painting, etc. will be performed free.

Any senior citizens with jobs for these young people, should contact Rev. Bob Thompson.

The program is being sponsored by the Presbyterian Church.

PE County Plan

A detailed version of the Prince Edward County Official Plan is now available in limited edition. The plan has been tabled after 15 months of intense study.

Some of the details of the plan are as follows:

- transportation routes will be improved and planned, with an eye to growth in air, rail water and road transportation.

- all prime agricultural lands used today will be frozen as such.

- growth around the three main settlements - Picton, Wellington and Bloomfield - will be encouraged to grow to

cut down on urban sprawl and indiscriminate growth.

- at least two small public parks will be developed in each township, with assistance from conservationists. Wherever possible, public boat-launching facilities will be constructed in the parks.

- development that would create eyesores on the landscape or pollution of the environment will be controlled.

- quality urban development will be encouraged, with the aim of preserving natural landmarks and scenery.

- a preservation program

for restoration of structures with historical or architectural value will be initiated.

- swamps, marshes, woodlands and wetlands in the rural townships will be environmentally protected.

- all scattered and strip form of residential development will be strictly prohibited and controlled in the rural areas.

- farm residential use will be restricted to the legitimate needs of an operational farm owner. Other forms of residential development will be over areas specifically designated for such uses.

Lacrosse

The Kan-Yen-Geh People's Junior - Senior Lacrosse Team, which was scheduled to play the Gananoque Junior-Seniors, on July 25 in Gananoque, will instead play the Gan team on August 1 at 8:30 p.m. in the Gananoque Arena.

It is hoped that the public will continue to support the lacrosse team by attending the games.

Quinte News

Round Up

A \$40 million expansion has been announced for Millhaven Fibres, Ltd. by its joint-owner, Celanese Canada.

The official announcement came last week, after several "leaks" of the proposed program.

Complete details of the plan have not yet been released, but the expansion is expected to provide 250 new jobs.

pute assistant at the CMC.

Employers are reluctant to hire girls, and for every one girl placed, about five males are placed also.

One of Canada's top rock music groups, Lighthouse, will be in concert in Belleville on August 10.

The group will be performing at the Memorial Arena for one performance starting at 8 p.m. Tickets are \$3.50 in advance, \$4.50 at the door. Tickets are available at Muntz Stereo Centre, Ed Thomas Tobacco Store and the memorial Arena.

The Village of Tweed has been given a \$3,500 grant by the Ministry of Transportation and Communications to assist in the cost of cleaning up the village after the storm on July 9. The village applied for the grant after it learned it was not eligible for assistance from the Ministry of Treasury, Economics and Intergovernmental Affairs.

The estimated cost of the clean-up is \$7000, which does not include restoring public utilities, estimated by Ontario Hydro at between \$30,000 and \$50,000.

The Canada Manpower Centre in Napanee has noted that job prospects for females in the town are not encouraging.

"This is a male employment oriented town, and placement of females is a hard thing to do," stated Robert Sherman, a grad-

reconstruction of the burned-out Wellington Arena.

The Arena Fund Committee hopes that when the arena is opened in October, the cost of reconstruction will be fully financed.

Service clubs and the public have both been most instrumental in raising the funds.

Home made bread will be available for sale at the Allan MacPherson House every Wednesday till the end of the summer. The bread is being baked outside in old brick ovens, 24 loaves at a time.

The United Electrical Workers at the Emerson Plant in Napanee have challenged the company to make a "realistic" offer.

The union is striking for a cost of living allowance and a wage on par with that of General Electric Workers in Trenton.

Provincial mediator, William McGuire closed a meeting between the workers and the company when similar demands were made. He felt that he could no longer be of

assistance in settling the dispute.

Chief Union Steward, Ray Davis, has stated that workers are prepared to go on striking until they get "what they want"

Displays of crafts continue to increase at the Prince Edward County Museum. New displays feature the pottery of Joanne Cunningham, with a demonstration between 1:30 and 5:30 p.m. Aug. 9 and 10. Also exhibiting are Mrs. Norman Kerr, who will demonstrate quilting from 11 a.m. on Aug.

14 and 15, and on Aug. 24 and 25, Miss Kay Camp will demonstrate candlemaking.

Mrs. Kay Hood 396-2119

Recent visitors at the home of Mrs. Sam Geddes were Mr. and Mrs. Eric Curtis of Newark,

Rhode Island. Mrs. Fred Stafford and daughter of Nanawee also called on her.

Mrs. Harry Rosborough from Big Island and her son, Harry Rosborough of Toronto were visitors at the home of her sister, Mrs. James Hines.

Miss Penny and Terry Griffith of Woodstock, were in town recently calling on friends.

Garden Party for Oldtimers

Mr. and Mrs. Gordon Topping extended an invitation to the members of the Quinte Oldtimers' Club, to a picnic at their cottage on Rendell's Island, on Wednesday, July 24th at 1 o'clock. The hostess welcomed at the door, as it was held inside due to bad weather.

There were four tables of cards playing and the remainder visited. A delicious pot luck lunch was served. Thanks and appreciation was expressed to Mrs. Topping and after the singing of "For They are Jolly Good Fellows", the picnic came to a close at four p.m.

2½ to 3 lb. broiler-fryer, cut in serving pieces
½ cup unsifted all-purpose flour
1 teaspoon salt
¼ teaspoon pepper
1/3 cup salad oil or melted shortening
Sauce:
½ cup cider vinegar
3 tablespoons light-brown sugar
1/3 cup chopped sweet gherkins
1 tablespoon Worcestershire

newsrelease

AMENDMENT TO THE HIGHWAY TRAFFIC ACT

TORONTO --- Transportation and Communications Minister John R. Rhodes has announced that owners of small trucks are no longer required to have their names printed on the side of their vehicles.

The amendment to the Regulations of Ontario made under the Highway Traffic Act became effective July 2, 1974. The amendment exempts all commercial vehicles having a gross weight of not more than 18,000 pounds, in addition to motorized mobile homes and trucks fitted with camper units which were exempted under a previous regulation.

The new regulation is the result of increased popularity in the use of small commercial motor vehicles as a means of private transportation.

today's health

For many people, the word poison conjures up thoughts of a skull and crossbones on a sinister little bottle.

But you don't have to swallow poison to suffer its effects; in summertime especially, there are many toxic substances around that work through the skin.

These can be broadly categorized into four main

types - those found in the man-made chemicals used on plants, in certain types of plants themselves, in insects, animals or reptiles and in soil or water.

So far as chemicals are concerned, the summer farmer or gardener should treat herbicides, fungicides and insecticides with caution. Many of them are powerful enough to

Health

Continued From Page 6

do damage to human beings as well as to weeds and bugs. Wear protective clothing to avoid skin contact with these substances.

Among poisonous plants, there's enormous variety - and the severity of their effects depends more on the person's sensitivity than on the plants themselves. Even so, the number of severe reactions to plant poisons increases each year.

For example, about 10 per cent of those who come in contact with poison ivy suffer reactions - which can get worse with repeated contact. Mild forms of poisoning from this plant can be treated by washing the affected area with strong soap, and by using calamine lotion.

More serious effects, such as extensive swelling and itching, will require medical help.

Stings from bees, wasps and hornets - while obviously no treat for the object of these insects' attentions - are generally more of an irritation than a danger except for hypersensitive persons; multiple stings, however, can produce a dangerous toxic reaction because of the large amounts of venom injected into the system.

The only protection is to leave these insects alone, and to discourage them from coming close by covering food. If you know you're allergic, especially to the bee, which can sting only once, but leaves its sting in the victim's skin, you'd do well to cover yourself as well.

Horse flies, black flies, mosquitoes and midges aren't poisonous, but their bites can produce infection. Insect repellent may help, but if it doesn't create the same halo-caust as the ones in the TV commercials, you should seek treatment both for local symptoms and possible infection.

Your best protection against potentially harmful animal and reptile bites is to observe these creatures from a distance. Foxes, skunks, bats and raccoons are affected with rabies more frequently than other animals, but any animal behaving peculiarly

Finally, water and soil can present hidden (but no less serious) poisoning hazards. Avoid swimming in polluted waters, and, on land or water, be on the lookout for tetanus-inducing cuts from rusty nails or broken glass.

The secret is to recognize the possible sources of poison - and avoid them. Armed with that knowledge, you'll stand a better chance of avoiding the doctor's office during your summer vacation.

TOWN OF

DESERONTO

The Deseronto Public Utilities Commission regrets to announce that, due to increased cost of power, materials, and labour, it has become necessary to increase hydro rates to consumers in Deseronto. The following rate schedules have been approved by Ontario Hydro and will become effective with all bills issued on or after September 1, 1974 for all accounts billed monthly and on and after October 1, 1974 for all accounts billed bi-monthly, which represent an increase of 9.75%

GENERAL SERVICE RATE SCHEDULE

1st 50 kilowatts of billing demand per month - nil
Balance at \$2.60 per kilowatt of billing demand per month

ENERGY CHARGE

5.5¢ per kilowatt - hour for the first 50 kilowatt-hours per month
2.9¢ per kilowatt-hour for the next 200 kilowatt-hours per month
1.95¢ per kilowatt - hour for the next 9,750 kilowatt-hours per month
0.75¢ per kilowatt-hour for all additional monthly consumption

Minimum monthly bill - Under 50 kilowatts - \$3.25
Over 50 kilowatts - \$0.25 per kilowatt for all kilowatts applicable to the maximum billing demand during the previous eleven months, or the contracted amount, whichever is greater

STREET LIGHTING

Energy charges calculated on the basis of \$61.20 per kilowatt per annum of the street lighting load

SENTINEL LIGHTING

Energy charges for unmetered sentinel lighting service, where applicable, shall be calculated on the basis of 1.1 times the energy for street lighting

TRANSFORMATION ALLOWANCE

For stepdown from subtransmission voltage - 25¢ per kilowatt of billing demand per month
For stepdown from distribution voltage - 15¢ per kilowatt of billing demand per month

RESIDENTIAL RATE SCHEDULE

REGULAR SERVICE

5.5¢ per kilowatt hour for the first 50 kilowatt-hours per month
2.5¢ per kilowatt-hour for the next 200 kilowatt-hours per month
1.45¢ per kilowatt-hour for all additional monthly consumption

Metered Water Heating

A block of 500 kilowatt-hours per month at a special rate of 1.3¢ per kilowatt-hour to be made available to all-year customers using an approved electric water heater supplied through the residential service meter after 250 kilowatt-hours per month have been billed at the foregoing rates

Minimum monthly bill ----- \$3.25

Flat Rate Water Heater Schedule #79

DELAYED PAYMENT

A late payment charge of 5% shall apply to all bills not paid on or before the due date.

NATURAL-LOOK RECOMMEND- ED FOR COTTAGE GARDENS

While fancy landscaping at the cottage is usually unnecessary, a few flowers, shrubs and trees can make a great improvement at little cost and effort.

Native shrubs and trees may easily be transplanted to your camp or cottage site, provided this is done before they leaf out. Use of Ontario's wide variety of wild flowers can brighten wooded areas

and rock outcroppings.

Some of the best shrubs

which have naturalized themselves include highbush cranberry, elderberry, honeysuckle lilac, mountain ash, tamarack, and white birch. Most shrubs and trees prefer sunny, well-drained; however, some, including dogwood and pussy willow, will tolerate dampness and partial shade.

Lilies, begonias, petunias, impatiens, and many other annuals available at garden centres will bloom while

you're enjoying your cottage.

Keep these additions simple, natural-looking and easy to maintain, to improve the surroundings without loss of leisure time.
